Welcome to another season of Tavistock Tornado soccer !

Welcome to the 2018 season - we have a great schedule of tournaments, games and events ! Strong organizations are always built around leadership and I want to extend a special thanks to all our coaches who provide their passion for the kids and the game. Thanks for all that you do ! The club will be providing indoor soccer practice opportunities again this year in April to our 7U, 9U, 11U, 13U players to jump start the team bonding and skill building. Watch for more details soon.

The soccer club wants to make all families aware of our “No One Gets Left Behind” statement that will help families in financial need. Furthermore we have a Special Needs soccer program that will run for 6 weeks, please inquire for more details. Our website will stay updated with all the current information, but feel free to approach me directly with any questions.

We are ready to kick off another fun season as spring approaches – thanks for participating !
