Registration for the season includes the ages from 4 to 21. House League teams span the 4 to 7 year olds. Travel teams span the 8 to 21 year olds. Be aware that all registration is online through our website and late fees do apply after March 15th.

While registration fees do vary by age group, we want to make it clear that cost should not prevent any interested players from registering. If family financial hardship is an issue, please contact the Club Convener directly in confidence. We have provisions set up from community organizations and private donors that will provide for all families in need.

A special thanks to our supporters for your open willingness to make a difference in your community. Our philosophy is that “No One Gets Left Behind”. Thanks for sharing our vision that finances will not stand in the way of kids participating in soccer.

Tavistock Tornados Optimist Youth Soccer Club is also proud of the loyal sponsors who generously donate to the club year after year. The Tavistock Optimist Club sponsors all the travel jerseys. Tim Hortons sponsors all of the House League teams. The Tavistock Mens Club has regularly provided financial support to the club. Furthermore, all of the sign sponsors at Optimist Park are a valuable part of our financial planning.

When you watch a soccer game being played, it is easy to see that it is a fun and exhilarating sport to participate in. Soccer instills the concept of teamwork and fair play into kids as well as a work ethic that they will carry with them throughout their lives. The pride that a child feels when they are part of a team, surrounded by peers, is unmatched.

Thanks to all the individuals that make this happen in Tavistock.
